5	COMMISSIONER MARC SPITZER COMMISSIONER		
6 7	IN THE MATTER OF THE APPLICATION OF ECI COMMUNICATIONS, INC. DBA ITS NETWORK SERVICES FOR A CERTIFICATE OF	DOCKET NO. T-04078A-02-0028	
8 9	CONVENIENCE AND NECESSITY TO PROVIDE COMPETITIVE RESOLD INTEREXCHANGE TELECOMMUNICATIONS SERVICES, EXCEPT LOCAL EXCHANGE SERVICES	ORDER	
10 11	Open Meeting June 25 and 26, 2002 Phoenix, Arizona		
12	BY THE COMMISSION:		
13	Having considered the entire record herein and being fully advised in the premises, the		
14	Commission finds, concludes, and orders that:		
15	<u>FINDINGS OF FACT</u>		
16	1. On January 11, 2002, ECI Communications, Inc. dba ITS Network Services		
17	("Applicant" or "ECI") filed with the Arizona Corporation Commission ("Commission") ar		
18	application for a Certificate of Convenience and Necessity ("Certificate") to provide competitive		
19	resold interexchange telecommunications services, except local exchange services, within the State of		
20	Arizona.		
21	2. Applicant is a switchless reseller that purchases telecommunications services from		
22	variety of carriers for resale to its customers.		
23	3. In Decision No. 58926 (December 22,	1994), the Commission found that resolu	
24	telecommunications providers ("resellers") are public service corporations subject to the jurisdiction		
25	of the Commission.		
26	4. ECI has authority to transact business in the State of Arizona.		
27	5. On February 19, 2002, ECI filed an Affi	davit of Publication indicating compliance

with the Commission's notice requirements.

- 6. On April 9, 2002, Staff filed in this docket a letter to the Applicant requesting information necessary in order to make a fair value rate base finding.
- 7. On April 29, 2002, the Commission's Utilities Division Staff ("Staff") filed a Staff Report in this matter recommending approval of the application subject to certain conditions, and making other recommendations.
- 8. In the Staff Report, Staff stated that ECI provided financial statements for the three months ending December 31, 2001, which list assets of \$1.1 million, total equity of \$743,279, and a net income of \$37,140.
- 9. In its Staff Report, Staff stated that based on information obtained from the Applicant, it has determined that ECI's fair value rate base is zero, and is too small to be useful in setting rates. Staff further stated that in general, rates for competitive services are not set according to rate of return regulation, but are heavily influenced by the market. Staff recommended that the Commission not set rates for ECI based on the fair value of its rate base.
- 10. Staff believes that ECI has no market power and that the reasonableness of its rates will be evaluated in a market with numerous competitors. In light of the competitive market in which the Applicant will be providing its services, Staff believes that the rates in Applicant's proposed tariffs for its competitive services will be just and reasonable, and recommends that the Commission approve them.
 - 11. Staff recommended approval of ECI's application subject to the following:
 - (a) The Applicant should be ordered to comply with all Commission rules, orders, and other requirements relevant to the provision of intrastate telecommunications service;
 - (b) The Applicant should be ordered to maintain its accounts and records as required by the Commission;
 - (c) The Applicant should be ordered to file with the Commission all financial and other reports that the Commission may require, and in a form and at such times as the Commission may designate;
 - (d) The Applicant should be ordered to maintain on file with the Commission all

current tariffs and rates, and any service standards that the Commission may require; 1 The Applicant should be ordered to comply with the Commission's rules and (e) 2 modify its tariffs to conform to these rules if it is determined that there is a conflict between the Applicant's tariffs and the Commission's rules; 3 The Applicant should be ordered to cooperate with Commission investigations 4 (f) of customer complaints; 5 The Applicant should be ordered to participate in and contribute to a universal (g) 6 service fund, as required by the Commission; 7 The Applicant should be ordered to notify the Commission immediately upon (h) changes to the Applicant's address or telephone number; 8 9 If at some future date, the Applicant wants to collect from its customers an (i) advance, deposit and/or prepayment, it must file information with the Commission for 10 Staff review. Upon receipt of such filing and after Staff review, Staff would forward its recommendation to the Commission; 11 12 The Applicant's interexchange service offerings should be classified as (i) competitive pursuant to A.A.C. R14-2-1108; 13 The Applicant's maximum rates should be the maximum rates proposed by the 14 Applicant in its proposed tariffs. The minimum rates for the Applicant's competitive services should be the Applicant's total service long run incremental costs of 15 providing those services as set forth in A.A.C. R14-2-1109; and 16 In the event that the Applicant states only one rate in its proposed tariff for a 17 competitive service, the rate stated should be the effective (actual) price to be charged for the service as well as the service's maximum rate. 18 Staff further recommended that ECI's Certificate should be conditioned upon the 12. 19 Applicant filing conforming tariffs in accordance with this Decision within 365 days from the date of 20 an Order in this matter, or 30 days prior to providing service, whichever comes first. 21 Staff recommended that if the Applicant fails to meet the timeframes outlined in 22 Findings of Fact No. 12 above, that ECI's Certificate should become null and void without further 23 Order of the Commission, and that no time extensions for compliance should be granted. 24 The rates proposed by this filing are for competitive services. 14. 25 Staff's recommendations as set forth herein are reasonable. 15. 26 ECI's fair value rate base is zero. 16. 27 28
